## **APPRAISAL DISTRICT WELCOMES NEW BOARD MEMBER JESSE GONZALEZ**

The Webb County Appraisal District (WCAD) is pleased to announce and welcome newly elected member of the Board of Directors, Jesse Gonzalez.

On Wednesday, March 1st, 2017, by order of resolution, Webb County Commissioners Court took action to recall former Commissioner and WCAD board member, Frank Sciaraffa and appoint Commissioner Jesse Gonzalez to serve as a member for WCAD's Board of Directors. Both actions passed with unanimous consent.

As a result, Chief Appraiser Martin Villarreal took action to initiate and validate the "Recall and Election" process, as stipulated by the Texas Property Tax Code, section 6.033. On March 03, 2017, Mr. Villarreal delivered the election process results to the local government entities and Webb County Commissioners Court. In summary, Mr. Villarreal stated that the majority of votes casted during the election held in Webb County were in favor of Mr. Jesse Gonzalez to serve as a member of WCAD Board of Directors for the remainder of Frank Sciaraffa's (2016-2017) term.

Mr. Villarreal extended his sincere gratitude to Frank Sciaraffa for his committed service to the WCAD Board of Directors and looks forward to fostering a good working relationship with the newly elected board member Commissioner Jesse Gonzalez.

Mr. Gonzalez was sworn in at the Board of Director's meeting held on March 15, 2017, in the Appraisal District's board room.
