WEBB COUNTY APPRAISAL DISTRICT OPENS A CUSTOMER SERVICE CENTER AT MALL DEL NORTE

As part of our public relations program, the Appraisal District will set up a customer service center at Mall Del Norte on Saturday, April 28, 2018 to assist property owners with appraisal questions and/or concerns. The center will be a full service location with remote connectivity to the District's database. Mall visitors will have an opportunity to verify appraisal information on their property and apply for tax exemption benefits available. The goal of this event is to reach out to our community and make appraisal services available over the weekend, as weekday schedules are filled with work and personal responsibilities.

The customer service center will be located in front of Macy's Department Store, on Saturday, April 28, 2018 from 10:00 a.m. to 3:00 p.m. APPRAISAL SERVICES ARE FREE!!!

The appraisal district encourages property owners to take advantage of this weekend event to ensure their property information, tax exemption benefits and mailing address are correct on the District's records. Chief Appraiser Mr. Villarreal, stated, "this is our eighteenth year at the Mall and it has been a huge success. Many people have taken advantage of this program, as it only takes visitors a couple of minutes to verify their records. Some residents have been able to minimize their tax liability and many have saved money by visiting our center." He further stated, "There's still time to save money on your 2018 taxes!"

FOR MORE INFORMATION ON THIS EVENT, CONTACT THE DISTRICT'S PUBLIC INFORMATION COORDINATOR AT (956) 718-4091. YOU MAY ALSO VISIT THE DISTRICT'S WEBSITE AT WWW.WEBBCAD.ORG.
