In response to the state of emergency declared at the local, State and Federal levels, the Webb County Appraisal District (District) has activated its emergency preparedness plan and is taking all necessary preventive measures to assist in the containment efforts associated with the novel coronavirus (COVID-19). The District is committed to ensuring a safe and healthy environment for its employees and the general public, and is actively taking steps to minimize the potential exposure and spread of COVID-19.

The District will continue to closely monitor any and all health advisories issued by the City of Laredo Health Department, as well as State and Federal agencies. Should a change to the District's regular business hours be required, the District will provide updated information on the District's website (www.webbcad.org) and Facebook page to reflect the updated business hours.

Should anyone need assistance, the District will be taking inquiries via email at webmaster@webbcad.org. We apologize for any inconvenience this may cause and appreciate the public's understanding and patience.
